WINE LIST

Wine drinking is a valuable and exciting ingredient in what we call “lifestyle”. Just as wine evolves from grape to glass so too has our wine list evolved both in response to our clients’ comments and also our own wish to be more innovative in pairing wine alongside our fine cuisine.

We believe passionately in a service ethic; this is reflected in our team’s love of food and wine and their constant training in search of perfection. Do spend a little time looking through our list.

Of course wine appreciation is a personal matter but our objective is simply to encourage our guest to experiment. Invariably, vintages will change from time to time but we will always offer the next available or indeed we may suggest something quite different to stir your senses and imagination. As always our role is to make your fine dining experience at this beautiful house exciting and memorable.

We wish you good drinking!
