

COOKRIDGE HALL
WEDDINGS

COOKRIDGE HALL

INTRODUCTION

Welcome to Cookridge Hall, a grade II listed historic hall originally the home of a wealthy land owner, dating back to 1721.

The listed building, set amongst an 18 hole golf course and beautiful grounds, makes the perfect backdrop to celebrate your wedding day in style.

From 2018 we now have a license to conduct wedding ceremonies.

Cookridge Hall is located in Cookridge, North Leeds, approximately 8 miles from Leeds city centre, a very convenient location for your guests. The grounds and the old hall make the perfect backdrop for photos on your special day.

Our function suite, The Conservatory, is very light and airy and looks out on to the beautiful gardens. There is also a licensed bar open until 1am within the room.

The Conservatory seats 80 guests for a sit down meal and looks out on to the beautiful gardens.

We also have a lounge area for guests that might like a bit of quiet time and a separate room to serve your evening buffet.

The bride and groom and your wedding guests, access the wedding on a red carpet through the private entrance to the old hall.

CEREMONIES

The Cedar room is licenced to hold wedding ceremonies. It is a great alternative to a church or the town hall.

Please ask our events manager for the charges that apply to holding your ceremony at Cookridge Hall.

The room can accommodate up to 50 guests for the ceremony.

The Cedar room retains all the buildings original features and boasts stunning views over the gardens.

You will need to make your own arrangements with a registrar via the town hall. The local authority set the fee for their service.

You will need to book and pay them directly through Leeds registry office who can be contacted on 0113 222 4408.

THE CONSERVATORY

Our function room, The Conservatory can seat 80 people for a full sit down Wedding breakfast.

If you are looking for a more casual affair the room holds 120 people for a buffet.

The room can be dressed to suit your needs or if you are looking for a specific theme you can bring in your own venue dresser.

Chair covers or Chiavari chairs are available to hire and we have a wide choice of sashes to match the colours chosen for your Wedding. We also have candelabras to hire as a centrepiece for the tables.

The bar is conveniently located within the main room, there is also a separate lounge area for those guests that like a bit of quiet time!

Following the meal, some tables can be removed to create space for dancing, a DJ or a band if required.

THE GROUNDS

As you arrive at Cookridge Hall, you will follow the sweeping drive through the 18 hole championship golf course to arrive at the historic hall.

Cookridge Hall is set in beautiful gardens, with a patio area to enjoy a drinks reception, should the British weather allow!

There are lots of great photo opportunities with the hall in the background or within our garden area.

Cookridge Hall is a very relaxing venue, surrounded by beautiful grounds, giving something a little different to other local hotels.

Arrive in style on the red carpet through your own private entrance into the old hall.

We have ample free car parking spaces for your guests and wedding cars can be parked on the gravel area outside the main hall.

We don't have accommodation on site, however there are some local hotels just a short car journey away. Westwood Hall offer a discounted rate once you have booked your wedding at Cookridge Hall, speak to our event planners about accommodation options.

FOOD

At Cookridge Hall we know that your wedding breakfast is one of the most vital elements of a successful wedding.

We put a lot of focus on making sure that our food is the best quality and that you get exactly what you want on your big day!

We have a good choice of menus to suit all budgets. All of our food is locally sourced and prepared freshly by our in house chef's.

We can cater for any special dietary requirements or if you just fancy something different let us know and we will endeavour to accommodate them.

We have a great choice of sit down meals, buffets, canapés and a children's menu.

OUR PACKAGES

At Cookridge Hall we know that many of our couples like to know the price that they are paying for everything. That's why we have put together our packages to include everything you will need on your big day.

Speak to our Events Manager about our most up to date packages.

We offer a Traditional, Luxury or an Evening only party package, each includes various options to add extra guests and upgrades.

Entertainment

To ensure you have a great evening we have a resident DJ who can get the dancing started. The room quickly turns around to provide a dance floor for all your guests!

Some guests choose to bring their own DJ, band or entertainment.

We also have ample space if you choose to have a sweet cart or a photo booth for example.

Speak to us about any external suppliers you are planning on using, and we will do our best to accommodate your requests.

**Supplementary charge applies if booking your own D.J*
