DRINKS LIST

CHAMPAGNE
TAITTINGER
Reims

Champagne Taittinger's origins date back to 1734 when the original House was founded by Jacques Fourneau. Today it remains one of the few top Houses actively owned, and run, by the family named on the label and one of the few to own a significant number of vineyards providing them with quality control from vine to bottle. With many of their Champagnes being matured in Taittinger's magnificent 4th century Roman cellars, the hallmark of these wines is the high percentage of Chardonnay used, which gives them elegance, delicacy and finesse.
